

SHARP

Sertoma Hearing Aid Recycling Program

c/o TSHA • 8740 E. 11th St., Suite A • Tulsa, OK 74112-7957 • Phone (918) 832-TSHA • Fax (918) 834-4329

PROCEDURE TO APPLY FOR A HEARING AID

1. **Make an appointment with an audiologist to receive a thorough hearing evaluation.** A list of participating SHARP audiologists has been enclosed. Many audiologists can file with Medicare to cover a portion of the testing cost.
2. **Complete the SHARP application and attach a copy of your hearing test.** The hearing test can be no older than 6 months. The applicant has to have a hearing loss of at least 30 db in the better ear to qualify.
3. **Include a copy of financial documentation.** A copy of your most recent tax return, bank statement, latest pay-check stub, social security check or retirement pension check. Also include copies of any income in stocks, savings, CDs, etc.
4. **There is a one-time \$75 processing fee.** This helps stretch the civic club funds as far as possible.
5. **Wait for notice of approval by the SHARP Board.** *The Board meets once a month.* All applications received during the previous month will be considered at that time.

If an applicant is denied for any reason the \$75 fee will be refunded. Each applicant is considered individually. If someone feels they have been wrongly denied, the Board invites the applicant to submit additional information to give a clearer picture of financial status. The application will be reconsidered at the next meeting.

If an applicant is approved, the \$75 fee will be deposited, and an approval letter will be sent with the name and number of a participating SHARP audiologist. **The applicant must then call that audiologist and schedule an appointment for an ear mold impression.**

6. **Return to the audiologist for fitting of one behind-the-ear recycled hearing aid.** When the aid is ready, the audiologist will call the applicant in for fitting.
7. **Return to the audiologist for follow-up visits as needed.** This is very important for maximum benefit from the hearing aid. The audiologist will work with each client to adjust and fine-tune the aid to be sure it is performing at its best and is as comfortable as possible.
8. **Return the aid to SHARP if it is no longer being used.** The program will be sure that someone else will benefit from the aid.

*** If the application is not fully completed, or if it is missing any part (audiogram, fee, or financial documentation) then the application process will be delayed.***

*** If the application is not fully completed, or if it is missing any part (audiogram, fee, financial documentation) then the application process will be delayed.***

SHARP Nursing Home Questionnaire

Dear applicant,

Since you are currently living in a nursing home we will need a caregiver from the nursing home and/or family member to answer the following questions and mail back to the SHARP program along with your application.

1. Is the recipient clear minded enough to benefit from the aid? _____

2. Will the hearing aid improve the recipient's quality of life? _____

3. Because there is a high rate of loss in nursing homes, the SHARP board would like to know what type of plan is in place to take care of the hearing aid.

4. Any additional comments?

Signature of person filling out form: _____

Relationship or title: _____

Phone number: _____

If you have any questions, please feel free to call Kirsten at TSHA, Inc. at 918-832-8742 (tty/v).

THH

Tulsa Hearing Helpers

Come One

Come All

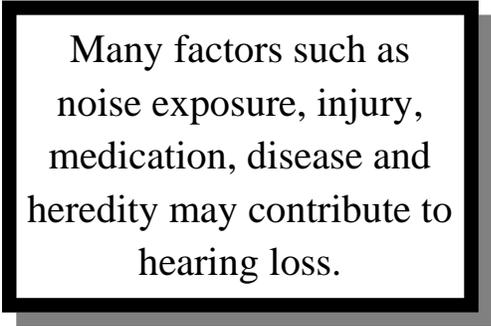

Are you facing a hearing loss?

Do you feel “out of the loop”? Isolated?

We have the group designed with you in mind!

Come to THH and meet others in the same situation. Learn about the latest technology available in hearing aids and equipment.

Listen to motivational speakers and chat with others who have walked in your shoes.

Many factors such as noise exposure, injury, medication, disease and heredity may contribute to hearing loss.

Tulsa Hearing Helpers is a support group for individuals dealing with hearing loss later in life. They **meet the second Thursday of each month** from 10:00 a.m. until 11:30 a.m. at 8740 E. 11th Street (TSHA's conference room).

Meetings involve learning more from the experts about the latest technology, sharing experiences with each other, and discussing the newest information on dealing with hearing loss. Please come and see what this group can offer you. While THH is targeted to people experiencing hearing lost later in life, **ALL** are welcome. Family and friends are especially encouraged to attend.

We have real-time captioning projected onto the wall for easy reading to assist those who cannot hear the speaker.

For more information on Tulsa Hearing Helpers contact Diana at TSHA (918-832-8742) or demersion@tsha.cc.
